Adam Harnando Syahputra S.Kom

Junior IT and Web Developer

📍 Cibitung, Bekasi Regency, 17520, West Java, Indonesia

About Me:

I am a Junior IT and Web Developer with a Bachelor's degree in Computer Science from the Information Systems Study Program at Gunadarma University, with a GPA of 3.69/4.00. I have practical knowledge of HTML, PHP, CSS, and web development using the Laravel framework. Currently, I am working as an IT staff member at Universitas Trisakti, focusing on developing and maintaining web applications, providing technical support, and handling various IT-related tasks. I hold a Junior Web Programmer certification from BNSP, validating my competence in web programming. I am highly motivated to advance my career and continuously improve my skills in a dynamic, technology-driven environment.

Experience

Staff IT

Trisakti University

Sep 2024 - Present
Jakarta, Indonesia

- Carrying out IT tasks as instructed by supervisors, including temporary technical projects.

I have been entrusted with various IT tasks based on my supervisors' instructions, ranging from web development with the team, organizing and managing Excel data, to supporting the installation of new software. Additionally, I frequently handle software troubleshooting, provide solutions to emerging issues, and ensure the smooth operation of systems used within the faculty.
